

## MEETING ROOM

Our brand new Meeting Room offers the perfect atmosphere for focused workshops, lively meetings or varied conferences. With the latest technical equipment and in combination with the high-quality furnishing and selected art, a successful meeting is guaranteed. Both screens can be used as a digital flipchart as well as for projecting any presentation, and with the conference phone, team members from all over the world can also be included.

The coffee counter is always stocked with coffee, tea and water and any additional coffee break catering can be booked. In the adjacent foyer, a table football game invites you to take an active break.
